

Webinar - API: Helpful Links

Today we discussed a few topics regarding the Web Service API. Below are some links to Knowledgebase Articles for those supporting topics:

- [API Documentation](#)
- [API Pricing](#)

Would you like more practice working with the interactive documentation for the API?

[This article](#) walks you through how to test placing an order.

Are you still a little fuzzy or unclear on what an API is?

You can reach out to our Technical Support team 24x7 by [creating a ticket](#) or calling 602-265-0195 opt3. Your [account manager](#) is also available to assist anytime!

Additionally, there is a lot of information on the web about APIs (such as [this YouTube video](#)*, which gives a general overview of what an API is and why it's used).
